Dear Parents/Carers

We are providing a list of required resources for 2020 so you can take advantage of the 'back to school' sales over the holidays. Please see the table below of required resources for each grade for 2020. These resources are expected to be brought to school at the beginning of next year.

Each student **must** purchase the **NSW Foundation Style Targeting Handwriting** textbook that is specific to the grade they will be in for 2020. Please see following page for more information about the exact handwriting textbook. No other handwriting book will be accepted.

Please note the Bring Your Own Device (BYOD) information is only for students that will be in Year 4 (optional), Year 5 or Year 6 in 2020.
