

# A change to the login process for BYODs

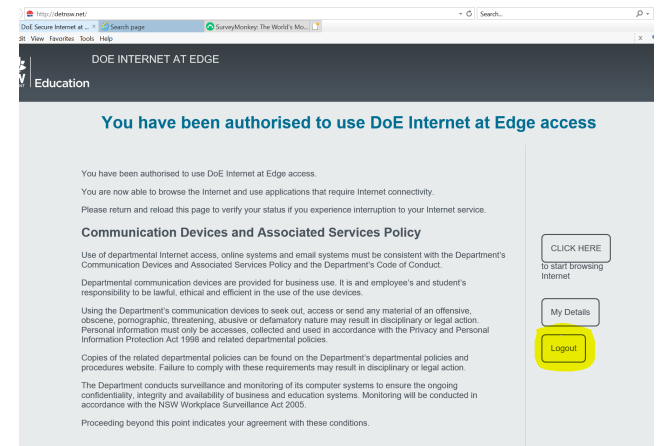

Everyone who uses a BYOD or school-owned non-Windows device\* will need to log onto the internet by:

- browsing to: **http://detnsw.net**
- logging into the portal with: **firstname.lastname@detnsw**
- Chromebook, iPad, Mac, iPhone, Android or Windows BYOD

A screenshot of a web browser showing the DoE Login page. The browser address bar displays 'https://edgeportal.detnsw.edu.au:608...'. The page header includes the NSW Education logo. The main heading is 'DoE Login is Required to access the Internet'. Below this, it states 'You are required to identify yourself to enable access to the Internet.' The login instructions are 'Log in with your DoE account in the form of firstname.lastname@detnsw'. An example is given: 'Example: john.doe7@detnsw'. There are two input fields: 'User' with the text 'student7.9052@detnsw' and 'Password' with masked characters. A 'LOGIN' button is at the bottom.

## Make sure you log out when you finish using the device.

A screenshot of a web browser showing the 'DOE INTERNET AT EDGE' page. The page header includes the NSW Education logo. The main heading is 'You have been authorised to use DoE Internet at Edge access'. Below this, it states 'You have been authorised to use DoE Internet at Edge access. You are now able to browse the Internet and use applications that require Internet connectivity. Please return and reload this page to verify your status if you experience interruption to your Internet service.' There is a section titled 'Communication Devices and Associated Services Policy' with detailed text. On the right side, there are three buttons: 'CLICK HERE to start browsing Internet', 'My Details', and 'Logout' (highlighted in yellow).
